

Die acht kleinen Stege an der oberen Hüllenhälfte sollten nach dem Laminieren mit einem scharfen Teppichmesser durch die obere Folie und das Papier eingeritzt und nach innen umgeknickt werden. Man verhindert damit, dass sich die Innen scheibe nach dem Zusammenbau nur schwer drehen lässt.

It's two thirty.

It's four o'clock.

It's seven twenty.

It's ten twenty-five.

It's eight thirty-five.

It's four forty-five.

It's seven thirty.

It's five o'clock.

It's ten fifty.

It's three fifteen.

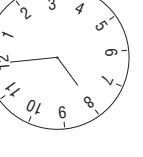

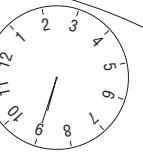

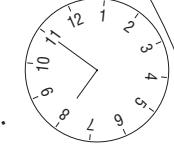

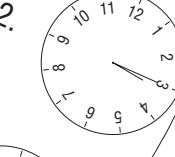

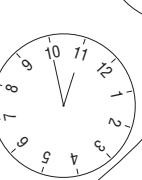

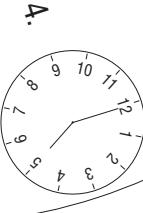

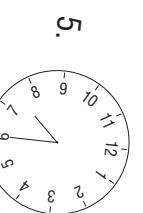

It's seven fifty-five.

It's nine thirty-five.

It's eight forty-five.

It's six ten.

It's seven fifty-five.
