The image displays a grid of 12 hexagonal tiles, each containing a compass rose and mathematical expressions. The tiles are arranged in a staggered pattern. Each tile includes the text 'H. Daxl, 1/01' and a dashed line at the top. The mathematical expressions are as follows:

- Tile 1 (top): $30\text{cm} + 30\text{cm}$, $3,40\text{m} + 3\text{m}$, $8,50\text{m}$, $3,25\text{cm}$, $4,90\text{cm}$
- Tile 2: $4,67\text{m}$, $5,80\text{m} - 2,30\text{m}$, $6,40\text{m}$, 60cm , $4,25\text{m}$
- Tile 3: $4\text{m} - 70\text{cm}$, $3,24\text{m} - 50\text{cm}$, $5,60\text{m}$, $8,25\text{m} + 50\text{cm}$, $6,80\text{m} - 0,68\text{m}$
