

Ziehe die dünnen Linien nach und vervollständige dann die einzelnen Ornamente.
Achte dabei genau auf die Rechenkästchen!

The worksheet consists of six rows on a grid background. Each row is separated by a horizontal line. The first row shows a solid diamond shape on the left and a sequence of four dotted diamonds on the right. The second row shows a solid diamond on the left and a sequence of seven overlapping dotted diamonds on the right. The third row shows a solid diamond on the left and a sequence of five dotted diamonds in a zigzag pattern on the right. The fourth row shows a solid right-angled triangle with an internal line on the left and a sequence of three dotted right-angled triangles on the right. The fifth row shows a solid right-angled triangle with an internal line on the left and a sequence of three dotted right-angled triangles on the right. The sixth row shows a solid square with internal diagonals and a horizontal/vertical line on the left and a sequence of four dotted squares on the right.
